In re: KPDO(FM), Pescadero, CA
Facility ID No. 89081
Silent Since February 18, 2009
Request For Special Temporary
Authority To Remain Silent

Dear Ms. Worden:

This letter concerns the request, filed on March 2, 2009, on behalf of Pescadero Public Radio Service, Inc. ("Pescadero"), for Special Temporary Authority ("STA") to permit Station KPDO(FM) to remain silent.

Pescadero's request states that KPDO(FM) went silent on February 18, 2009, because the transmitter was removed from service pending approval of the assignment of its license to The Regents of the University of California. Pescadero's request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.¹

Pescadero's request will be granted. Accordingly, Special Temporary Authority is granted to permit FM Station KPDO to remain silent not to exceed 180 days from the date of this letter. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for KPDO(FM) will automatically expire as a matter of law if broadcast operations do not commence by 12:01 a.m. on February 19, 2010.**² See Section 312(g) of the Communications Act, 47 U.S.C. Section 312(g).

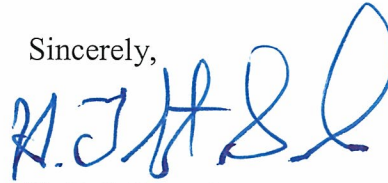

¹ In the event extension of special temporary authority is sought, please renew the certification in this matter.

² Notification of resumption of broadcast operations must be electronically filed or mailed to:

Federal Communications Commission
Attn: 1800B3-DW, Room 2-B450
445 12th Street, S.W.
Washington, D.C. 20554

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. Finally, we note that it is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained. *See* 47 C.F.R. Sections 17.6 and 73.1740(a)(4).

Sincerely,

A handwritten signature in blue ink, appearing to read 'H. Taft Snowdon', with a large, stylized loop at the end.
