In re: KAYF(FM), Bayfield, CO
Facility ID No. 164121
Silent Since April 10, 2009
Request For Special Temporary
Authority To Remain Silent

Dear Mr. Farber:

This letter concerns your request, filed on May 4, 2009, on behalf of Winton Road Broadcasting Co., LLC ("WRB"), for Special Temporary Authority to permit Station KAYF(FM) to remain silent.

WRB's request states that KAYF(FM) went silent on April 10, 2009, due to equipment problems. You further state that an application (File No BPH-20081001ALK) has been granted to relocate the antenna site and that site is currently being constructed with new equipment. Your request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.¹

WRB's request will be granted. Accordingly, Special Temporary Authority is granted to permit Station KAYF(FM) to remain silent for a period not to exceed 180 days from the date of this letter. **Notwithstanding the grant of this special temporary authority, the broadcast license for KAYF(FM) will automatically expire as a matter of law if broadcast operations do not commence by 12:01 a.m. April 11, 2010.**² See Section 312(g) of the Communications Act, 47 U.S.C. Section 312(g).

¹ In the event extension of special temporary authority is sought, please renew the certification in this matter .

²Notification of resumption of broadcast operations must be mailed to:

Federal Communications Commission
Attn: 1800B3-DW, Room 2-B450
445 12th Street, S.W.
Washington, D.C. 20554

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. Finally, we note that it is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed. See 47 C.F.R. Sections 17.6 and 73.1740(a)(4).

Sincerely,
