Aaron,

LARCAN currently has a 6 – 8 week lead time on our LA-100, 100 watt linear amplifier. We are more than happy to upgrade you from your current 25 watt to our new 100 watt amplifier, but can not delivery by June 2<sup>nd</sup>. We look forward to working with you on this upgrade project, now that we have the power level required for your ERP.

Paul Phillips, Low Power FM Sales
