Re: CBS Radio Stations Inc.
WJHM(FM), Daytona Beach, Florida
Facility Identification Number: 73137
Special Temporary Authority

Dear Mr. Nass:

This is in reference to the request filed September 10, 2008, on behalf of CBS Radio Stations Inc. ("CBS"), for extension of the special temporary authority ("STA") granted on July 1, 2008, to operate Station WJHM with reduced power.¹

Our review indicates that, subsequent to filing of the instant extension request, CBS filed License Application BMLH-20081010ATQ, which was granted on November 20, 2008. In light of the foregoing, STA is no longer necessary.

Accordingly, the request for extension of STA IS HEREBY DISMISSED.

Sincerely,

Charles N. Miller, Engineer
Audio Division
Media Bureau

cc: CBS Radio Stations Inc.

¹ WJHM is licensed for operation on Channel 270C (101.9 MHz) with effective radiated power of 92 kilowatts (H&V) and antenna height above average terrain of 483 meters.
