Facility I.D. No. 81640
File No. BRH-20050401AAA

Application for Renewal of License

Dear Mr. Hammond:

The captioned license renewal application (the "Application") for Station KBKH(FM), Shamrock, Texas, was dismissed with prejudice on November 17, 2006, by Presiding Administrative Law Judge Arthur Steinberg in the Commission hearing proceeding in EB Docket No. 06-163.¹ No appeal of this action was taken.²

Accordingly, the KBKH(FM) license has expired, and the Station's Call Letters ARE HEREBY DELETED. All authority to operate Station KBKH(FM) IS HEREBY TERMINATED, and any further operation of this facility is now unauthorized and must cease immediately.

Finally, it is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower be maintained until the tower is dismantled. Accordingly, the owner of the tower where the referenced station's transmitting antenna is located must maintain the tower in the manner prescribed by the Commission's Rules and the terms of the expired license.³

Sincerely,

Peter H. Doyle
Chief, Audio Division
