

## AGREEMENT

This Agreement acknowledges the application of the Sula TV Translator Association to re-license and "flash cut" station K05JE from analog to digital to serve the community of Sula, Montana.

If the application is granted, Sula TV Translator Association agrees to notify KXLF, channel 5 in Butte, MT when the station commences digital operation, including program tests.

Sula TV Translator Association further agrees that it will remedy any interference to KXLF viewers at its own expense, in the event that any interference occurs. If interference does occur and Sula TV Translator Association cannot promptly remedy the problem, it agrees to terminate operation on channel 5.

In light of this agreement, KXLF has no objections to the proposed application of the Sula TV Translator Association.
