Subject: BXLH-20090728ACZ - KOMO-FM - Oakville, WA - Program Test Authority

This e-mail is in response to your auxiliary facility license application BXLH-20090728ACZ, as amended 8/17/2009, which requests program test authority for KOMO-FM's auxiliary facility authorized in construction permit BXPB-20080626ABA. The amended license application has been reviewed and found acceptable.

Consequently, by this e-mail, program test authority IS GRANTED to permit KOMO-FM to operate its auxiliary facility at an effective radiated power of 16.5 kW ERP with the facilities authorized in construction permit BXPB-20080626ABA. Please include a copy of this e-mail with the license application to cover this construction permit to document that the construction permit condition has been satisfied.

This authorization is being sent by e-mail in lieu of a letter for the same purpose in order to get this authority to you as soon as possible. Please print a copy of it and keep it with the station's records. The grant of this program test authority will also be noted in the FCC's CDBS database.

If there are any questions, please contact me at 202-418-2706.
