Re: Airen Broadcasting Company

Special Temporary Authority

Dear Ms. Rogers:

This is in reference to the request filed May 19, 2009, on behalf of Airen Broadcasting Company ("Airen"). Airen requests extension of the special temporary authority ("STA") granted on December 9, 2008, to operate Station KZCC with the facilities specified in Construction Permit BMPH-20070523ADS.<sup>1</sup>

In support of the request, Airen states that the subject STA was issued by a letter decision involving Stations KZCC, KMDR and KNHT,<sup>2</sup> "until such time as KMDR(FM) is ready to initiate program tests on Channel 236C3..." and that Station KMDR is precluded from operation on Channel 236 until Station KNHT moves to Channel 273C2. Airen further states that, to its knowledge, Station KNHT has not yet even filed an application for the required channel change. Thus, Airen states that good cause exists for extension of its STA.

Our review indicates that the circumstances which warranted grant of the original STA have not changed; therefore, we find that the Public Interest would be served by grant of the requested extension.

Accordingly, the request for extension of STA IS HEREBY GRANTED. Station KZCC may continue to operate with the facilities specified in Construction Permit BMPH-20070523AD. Airen must use whatever means are necessary to protect workers and the public from exposure to
