Facility ID# 175031
BMPED-20090820AAM

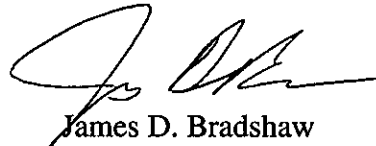

Dear Applicant:

This letter refers to the above-captioned modification application for Red River, New Mexico.

An engineering study of the application reveals that it is in violation of 47 C.F.R. § 73.509 with respect to the licensed facility of KRRT(FM), Arroyo Seco, NM (BLED-20080328AAK). Specifically, the proposed protected contour (60 dBu) would receive prohibited overlap from the interfering contour (54 dBu) of KRRT and the proposed interfering contour (54 dBu) would overlap the protected contour (60 dBu) of KRRT. This deficiency was not addressed in the application.

In light of the above, Application BMPED-20090820AAM is unacceptable for filing pursuant to 47 C.F.R. § 73.3566(a) and is HEREBY DISMISSED. These actions are taken pursuant to 47 C.F.R. § 0.283.

Sincerely,

James D. Bradshaw
Deputy Chief
Audio Division
Media Bureau
