Subject: WBTL-LP, Extension of STA to remain silent, BLESTA-20090805ACM

Mohammad,

I apologize for the delay in sending you this information. We discussed this situation several weeks ago, here is the additional explanation you requested regarding why the station has remained silent longer than one year. WBTL-LP has been serving Toledo, OH since 1991. VTG decided to temporarily suspend the operation of the station on August 6, 2008. On or about November 17, 2008, WHTV, Jackson, MI, commenced its digital operation on channel 34. As a result, WBTL-LP was displaced and has had to continue to stay off the air to protect WHTV. VTG continues its effort to seek a sustainable operational plan for WBTL-LP and awaits for a grant of WBTL-LP's digital companion channel application on channel 50 (BDCCDTL-20061030ARV).

Please let me know if you need any additional information.

Regards,

Joan Stewart
