Dear Mr. Macias:

This letter concerns the request, filed on July 14, 2009, on behalf of Azteca Communications of Alabama, Inc. ("ACA"), for Special Temporary Authority ("STA") to permit Station WCOC(AM) to remain silent.

ACA's request states that WCOC(AM) went silent on November 29, 2008, due to financial distress. ACA's request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

ACA's request will be granted. Accordingly, Special Temporary Authority is granted to permit Station WCOC(AM) to remain silent not to exceed November 29, 2009. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for WCOC(AM) will automatically expire as a matter of law if broadcast operations do not commence by 12:01 a.m. on November 30, 2009.**¹ See Section 312(g) of the Communications Act, 47 U.S.C. Section 312(g).

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of

applications for renewal of broadcast license. Finally, we note that it is imperative to the safety of air navigation that any prescribed painting and illumination of the stations' tower shall be maintained. *See* 47 C.F.R. Sections 17.6 and 73.1740(a)(4).

Finally, the Commission's Rules, 47 C.F.R. Section 73.1740(a)(4), permit licensees to discontinue operations for good cause and for a period not to exceed 30 days without further authority, provided that the licensee notify the Commission by letter "not later than the 10th day of limited or discontinued operations" and if operations are not able to commence by that time, "informal written request shall be made to the FCC no later than the 30th day for such additional time as may be deemed necessary. Azteca Communications of Alabama, Inc. recognizes that it failed to timely submit a request for an STA to permit WCOC(AM) to remain silent beyond November 29, 2008, and the action taken herein shall not be construed as authorizing the station to remain silent between November 29, 2008, and July 14, 2009.
