In re: K267BH, North Las Vegas, NV
BPFT-20090928AAI
Facility ID No. 48349

Dear Applicant:

This letter refers to the above-captioned application for K267BH, North Las Vegas, Nevada.

An engineering study has revealed the application is a major change application pursuant to 47 C.F.R. § 74.1233(a)(1). Specifically, the section states that “a major change is any change in frequency (output channel) except changes to first, second or third adjacent channels, or intermediate frequency channels”. The license (BLFT-20090914ABG) specifies Channel 267. The proposed application BPFT-20090928AAI, specifies Channel 215, or 52th adjacent, which is a violation of § 74.1233(a)(1). Because major change applications are not being accepted for filing, the application will be dismissed.

In light of the above, the application BPFT-20090928AAI filed by Ondas De Vida Network, Inc. is unacceptable for filing pursuant to 47 C.F.R. § 73.3566(a) and is HEREBY DISMISSED. This action is taken pursuant to 47 C.F.R. § 0.283.

Sincerely,

for James D. Bradshaw
Deputy Chief
