**Subject:** WDYB-LP STA request

Mohammad,

Per our phone conversation, it appears as though there was a typo made in our request for a silent STA for WDYB-LP. The request was made for Tiger Eye Finance when in fact the CDBS system has the station listed under Tiger Eye Broadcasting Corp. Please make the necessary changes to have the applicant info reflect the data found in the CDBS.

if there are any further issues please contact me at 727-233-3631. Thank you very much for your help with this matter.

Respectfully,

James Gallagher
