Subject: Amendment to BSTA-20091112ACR

Mohammad,

On behalf of Fisher Broadcasting - California TV, LLC, and per our discussion, please consider this e-mail an amendment to the above-referenced STA application for KBFX-CA, Bakersfield, California.

Question 7.1 of the STA application is hereby amended to specify Channel 58 instead of Channel 53.

Please make the appropriate changes to the application so it may be processed as an STA requests for Channel 58.

Channel 58 is the station's current authorized channel, and the prior reference to Channel 53 was a typographical error.

Please let me know should you have any questions.
