Dear Applicants:

This letter concerns the above-referenced applications for low power television digital companion channels filed in the auction filing window.

You have submitted settlement agreements to resolve the mutual exclusivity among these applications. The settlement between Combs Broadcasting, Inc. (Combs) and Ettie Clark calls for both their above-referenced applications in MX Group 1 to accept interference from each other. Upon review of your settlement agreement and related documents, we find that it complies with Section 311(c) of the Communications Act and Section 73.3525 of the Commission's Rules.

As for the above-referenced applications, within 30 days of the date of this letter, the applicants must submit a complete FCC Form 346 (June 2000 version) for each file number, pursuant to the procedures set forth in the Commission's rules.¹ You

For assistance with electronic filing, call the Media Bureau Help Desk at (202) 418-26MB.

The staff will return applications not submitted in accordance with the procedures described above. The staff will dismiss, without further processing, the previously filed technical submissions of any applicant that fails to submit the complete FCC Form 346 by the deadline set forth herein.²

The staff will study the submitted FCC Form 346 applications for acceptability. It will subsequently announce applications determined to be acceptable for filing and for which the staff is prepared to grant. Petitions to deny these FCC Form 346 applications must be filed within 15 days following the release of the public notice announcing acceptance of the applications at issue.³ Interested parties should monitor these public notices.
