Re: WHEO AM Radio
Facility ID No. 46335

This letter is in respect to the certification by Patrick County Communications, LLC, licensee of WHEO (AM), for compliance with all rules, terms, and conditions of the station license, and as required in Section IV, Paragraphs 15 and 16, of that Consent Decree released on or about November 4, 2009. I have no ownership interest in Patrick County Communications.

A thorough inspection has been conducted on the transmitting equipment and operations of WHEO to meet the requirements of the Federal Communications Commission.

The AM Broadcast Station Self-Inspection Checklist and Broadcast Rules in 47 CFR, Part 73, Subpart A-AM Broadcast Stations and Subpart H-rules Applicable To All Broadcast Stations were used as the bases for this inspection.

I, Bruce Dollarhite, state that I am the Engineer responsible for this inspection. I have formal training and experience in calibrating, maintaining, inspecting, troubleshooting, and repairing radio and audio equipment, and in conducting and recording radio frequency measurements.

After this inspection, I certify that WHEO (AM) is in compliance with all Commission terms, rules, and conditions of that station's license. Patrick County Communications is committed to continuing such compliance.

Respectfully,

Bruce Dollarhite
