Mr. Habib: This is to request that the application in File No. BSTA-20091229AAL be treated as an extension of STA grant. The initial STA application was in File No. BSTA-20090611AAM.

It was filed as a new STA owing to the inability of the CDBS to accept an extension application for an analog station operating in digital. The CDBS would not accept the KVES-LD call sign nor would it recognize that this analog station was operating in digital.

Should you have any questions, please do let me know.
