Hossein: As indicated by Stacey Ashton of the IB, below, the KSGA-LP application for Channel 30 has been accepted by the COFETEL in Mexico.

Based on this, can I obtain a status report on the pending STA request.

James: I was just talking with Hossein in regard to the following application for Channel 30 in Los Angeles. Channel 30 was formerly allotted to a full-service analog station. Was the application ever coordinated with the COFETEL and, if not, does it have to be?
