BPTTL-20041012AIL
Facility ID 67552

Dear Permittee,

This is with respect to the above-referenced application for modification of low power television station KLPT-LP. Per an e-mail from Mr. Christopher Blair, dated November 9, 2005, you state "This application is superseded by file number BPTTL-20050331BMW, which has been granted, constructed and licensed; therefore, you see no reason why application BPTTL-20041012AIL should not be dismissed."

Accordingly, per your e-mail, the construction permit for station KLPT-LP as referenced-above IS HEREBY DISMISSED.

Sincerely,

Hossein Hashemzadeh
Assistant Chief, Video Division
