In re: KTKY(FM), Refugio, Texas
Facility ID No. 40798
Silent Since October 20, 2006
Request For Extension of
Special Temporary
Authority To Remain Silent

Dear Mr. Withers:

This letter concerns the request, filed on January 30, 2007, on behalf of Pacific Broadcasting of Missouri LLC ("Pacific"), for extension of Special Temporary Authority ("STA") to permit FM Station KTKY to remain silent.

Commission records reflect that KTKY(FM) went silent on October 20, 2006, because the station's transmitter exciter and studio equipment sustained damage from a lightning strike. On October 30, 2006, Pacific requested an STA for the station to remain silent for 90 days while the damage exciter has been shipped for repair and reinstalled. The STA was granted on October 31, 2006, and will expire on January 31, 2007. Pacific's current request states that the damaged exciter was not able to be repaired and that it expects to place a firm order for a replacement exciter within 72 hours. Accordingly, Pacific requests a 60-day extension of the KTKY(FM) STA. Pacific's request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.¹

Pacific's request will be granted. Accordingly, Special Temporary Authority is granted to permit FM Station KTKY to remain silent not to exceed 60 days from the date of this letter. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for KTKY(FM) will automatically expire as a matter of law if**

¹ In the event extension of special temporary authority is sought, please renew the certification in this matter.

broadcast operations do not commence by 12:01 a.m. on October 21, 2007.² *See* Section 312(g) of the Communications Act, 47 U.S.C. Section 312(g).

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. Finally, we note that it is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained. *See* 47 C.F.R. Sections 17.6 and 73.1740(a)(4).

Sincerely,
