Facility Identification Number: 73313  
File Number: BP-20090313ABE

Dear Mr. McCormick:

This letter is in reference to the above-captioned minor change application filed by WNAP to add one daytime augmentation, and the November 18, 2009, request to withhold further processing for 90 days to allow time to file the required FCC Form 302 license application to verify the proposed augmentation is acceptable.

Accordingly, further action on the application will be withheld for a period of ninety days (90) as requested. No further action will be taken on this application until after the required FCC Form 302 application has been filed and the proposed augmentation has been found acceptable for review. Failure to file an acceptable FCC Form 302 application will result in the dismissal of this application pursuant to Section 73.3568 of the Commission's rules.

Sincerely,

Son Nguyen
