Re: KJCP-LP, Channel 38  
Pago Pago, AS  
Facility ID No. 129345  
BALTT-20091027ADZ

Dear Licensee:

This addresses the authorization for the above-captioned station, KJCP-LP, Channel 38, Pago Pago, American Samoa. Also pending is the above-captioned application to assign the KJCP-LP license to South Seas Broadcasting, Inc.

A review of the Commission's records reveals that station KJCP-LP has been silent since March 25, 2007. A previously granted application for Special Temporary Authority for the station to remain silent expired on September 25, 2007.<sup>1</sup>

Section 312(g) of the Communications Act of 1934, as amended, provides in pertinent part that if a broadcasting station fails to transmit broadcast signals for any consecutive 12-month period, then the station license shall expire at the end of that period.<sup>2</sup>

Accordingly, the license for station KJCP-LP IS FORFEITED, and the call sign IS HEREBY DELETED. In addition, pending application to assign the station license to South Seas Broadcasting, Inc. IS DISMISSED.

Sincerely,

Hossein Hashemzadeh  
Associate Chief, Video Division  
Media Bureau
