In re: Low Power Television Application of:
ZGS Broadcasting of Orlando, Inc.
Channel 31, Orlando, FL.
File numberBMPDTA-20090126ADJ
Facility Id No.:10073

Dear Applicant:

We are currently processing your above-referenced application. Our preliminary engineering review reveals that your proposed facility does not comply with the Commission's interference rules. Specifically, the proposal is predicted to cause interference to the following facilities:

1. WTTA, St. Petersburg, FL. – BPRM-20090820ADU & BMPCDT-20091106AER

In addition to the above interference problems, and based on the ASRN number of 1022220 and the coordinates provided in your proposed construction permit the tower status is Dismantled. Please reference the screen shot of our registration search results below:

Specified Search							
Registration Number like 1022220							
	Registration Number	Status	File Number	Owner Name	Latitude/Longitude	Structure City/State	Overall Height Above Ground (AGL)
