Subject: WBQM-LP - BSTA-20100408ABA

Dear Mr. Habib,

Thank you for speaking to me today regarding the STA request referenced above for WBQM-LP (#22797) to operate in the digital mode.

To clarify the request it is for a "simple" mask filter on channel 3, with 300 watts ERP utilizing the existing licensed antenna system.

If there are any other questions, please do not hesitate to contact me.

Thank you.
