Subject: please dismiss my Flashcut Application BDFCDVL-20100309ABS

Hossein,

Please dismiss flashcut application BDFCDVL-20100309ABS for KVTU-LP
It has over 30% interference with other application and I can not clear it up

I have a new displacement application filed with Interference study for KVTU-LP

Thanks,
Mark C. Allen

Owner of KVTU-LP 4/19/2010
