In re: Ramar Communications, Ltd.(Ramar)
KJTV(AM), Lubbock, Texas
Facility Identification Number: 55061
File Number. BZ-20090914ACO

Dear Mr. Poutasse:

This is in reference to the above-captioned direct measurement of power application and the Jan 25, 2010, request for an additional 60 days to amend.

Accordingly, the request is granted, and further action on the subject application will be withheld for 60 days from the date of this letter to allow the licensee time to file a curative amendment. Failure to respond or amend in this time period will result in the dismissal of the application pursuant to Section 73.3568 of the Commission's rules. In addition, we noted that the KJTV(AM) Special Temporary Authorization (STA) granted on June 8, 2009, expired on December 8, 2009, therefore Ramar must immediately request for a new STA to continue operating with parameters at variance.

Sincerely,

Son Nguyen
Supervisory Engineer
