Subject: STA Request for WIIW-LP, FI26908, BSTA-20100611AHZ

THE FOLLOWING STATEMENT REGARDING THE TOWER REGISTRATION REQUIREMENT WAS INADVERTENTLY OMITTED FROM THE STA APPLICATION:

Use of unregistered antenna structure – Antenna is attached to exterior of building and no part of the

structure on which the antenna is installed extends above the building roofline by as much as 6 meters, so per

TOWAIR the structure is not required to be registered.

THANKS FOR THE HELP.

Byron
