Dear Applicant:

This letter refers to the above-captioned minor change application for a construction permit for an auxiliary transmitting antenna.

An engineering study reveals that the facility specified in the application fails to meet the minimum spacing requirement of 47 C.F.R. § 73.207 with respect to the fifty-adjacent channel Class C license (BMLH-20060127AFY) for KKHH(FM), Houston, TX. Specifically, the proposed facility is short-spaced by 19 kilometers. The required spacing pursuant to 47 C.F.R. § 73.207 is 48 kilometers while the actual spacing proposed in the application is 29 kilometers. This short-spacing was not recognized in the application. Therefore, KOVE must amend the application to eliminate this short-spacing.

Pursuant to 47 C.F.R. § 73.3522, "... an applicant whose application is found to meet the minimum filing requirements but nevertheless is not complete and acceptable shall have the opportunity in the 30-day period specified in the FCC staff's deficiency letter to correct all deficiencies in the tenderability and acceptability of the underlying application, including any deficiency not specifically identified by the staff." Additionally, 47 C.F.R. § 73.3564 states that "[a]pplications with uncorrected tender and/or acceptance defects remaining after the opportunity for corrective amendment will be dismissed with no further opportunity for amendment." See Appendix B in the Report and Order in MM Docket No. 91-347. This letter constitutes your opportunity for corrective amendment pursuant to 47 C.F.R. § 73.3522.

Further action on the subject application will be withheld for a period of thirty days from the date of this letter to provide KOVE an opportunity to respond. Failure to correct all tender and acceptance defects within thirty days from the date of this letter will result in dismissal of the application with no further opportunity for corrective amendment pursuant to 47 C.F.R. § 73.3564(a). Failure to respond within this time period will result in the dismissal of the application pursuant to 47 C.F.R. § 73.3568(a).

Sincerely,
