In re: The Praise Network, Inc.
KGRJ(FM), Chamberlain, SD
Facility I.D. No.: 172515
BMPED-20100628AAE

Dear Applicant:

This letter refers to the above-captioned minor change non-commercial educational construction permit application filed by The Praise Network, Inc. ("Praise") to modify construction permit BNPED-20071018ASV for a new FM station to serve the community of Chamberlain, South Dakota.

Section 73.7002(c) of the Commission's Rules provides that for a period of four years of on-air operations, an applicant receiving a decisive 307(b) preference must "construct and operate technical facilities substantially as proposed and shall not downgrade service to the area on which the preference was based." The Praise Network, Inc. neither constructed nor operated, for any period, the authorized facilities for which it received a decisive 307(b) preference. In addition, the facilities specified in the application result in the removal of service to part of the area on which The Praise Network, Inc.'s decisive 307(b) preference was based. This was not acknowledged in the application.

In light of the above, Application BMPED-20100628AAE is unacceptable for filing pursuant to 47 C.F.R. Section 73.3566(a) and is HEREBY DISMISSED. This action is taken pursuant to 47 C.F.R. Section 0.283.

Sincerely,

Rodolfo F. Bonacci
