Re: Applications for New Low Power Television Stations  
File Nos. BNPDTL-20100728AES  
Fac. ID: 187761

This concerns your above-referenced applications for new low power television stations. You did not include the requisite filing fees with your applications by selecting OTHER under fee requirement section of the application. You did not provide a reason for selecting OTHER as fee exempt; therefore, as an applicant for a low power television station, you do not qualify for a fee exemption. Noncommercial educational full power television stations applying for low power television stations may qualify separately for a fee exemption. *See* 47 C.F.R. § 1.1114(d). Our records do not indicate that Game Day Entertainment, LLC is the licensee of a noncommercial educational full power television station. Therefore, you also do not qualify under this separate fee exemption. For the above-referenced reasons, the above-referenced applications ARE DISMISSED.

Sincerely,

Hossein Hashemzadeh
