FILED/ACCEPTED

JUL 8 2010

Federal Communications Commission
Office of the Secretary

PETITION FOR RECONSIDERATION

Spirit of Prayer Ministries, Inc. ("SPM"), by counsel and pursuant to §1.106 of the Commission's rules, hereby respectfully petitions the Commission to reconsider the June 3, 2010 Letter Decision from the Associate Chief of the Media Bureau's Video Division in which it dismissed SPM's above-identified applications.¹ The applications were dismissed because they were not accompanied by a filing fee when originally submitted to the Commission.

SPM failed to pay the filing fees for these applications because it misunderstood the Commission's requirements. SPM is a bona fide not-for-profit entity. It intends to operate the proposed stations in a noncommercial manner. Under these conditions, SPM believed that it was exempt from filing fees for these applications. This was an innocent error made in good-faith and without the benefit of communications counsel.

The filing fees for the above-identified applications are being paid today through the Commission's fee filer system. Having cured that short-coming, SPM now respectfully asks the Commission to reinstate each of the above-identified applications *nunc pro tunc*. SPM is ready, willing and eager to commence new video services to the communities proposed in these applications. The public interest will be served by processing these applications as promptly as possible and creating the opportunity for SPM to serve those communities.

¹ Public notice of each of these dismissal actions by the Commission was published in *Broadcast Actions*, Report No. 47252, released June 8, 2010.

Wherefore, SPM respectfully urges the Commission to reinstate its above-identified applications *nunc pro tunc*.

Respectfully submitted

SPIRIT OF PRAYER MINISTRIES, INC.
