Hossein,

On behalf of Tiger Eye Broadcasting Corp., we advise that the licensee wishes to revert from Class A status to LPTV status, pursuant to Section 73.6001(d) of the rules. The licensee respectfully requests that this status change be made effective immediately. Should you wish us to file formal notification with the Commission, please advise and we will do so.

The licensee further requests that you expedite action on the pending applications for renewal of license for the stations, BRTTA-20050111AAP and BRTTA-20051220AJD, respectively, pending since 2005. Should you have any questions, please contact Peter or me.

Thanks for your help.
