Re: DKCPL-LP, Rapid City, South Dakota
Facility ID No. 127551

Dear Licensee:

By letter dated August 17, 2010, the staff cancelled the license for low power television station KCPL-LP, Rapid City, South Dakota pursuant to Section 312(g) of the Communications Act because Commission records indicated that the station had been silent since August 12, 2005. G.I.G., Inc., the licensee of the station, filed a timely petition for reconsideration and submitted a copy of an August 14, 2006 letter it had filed notifying the Commission that the station resumed broadcast operations on August 10, 2006. In view of the foregoing, the petition for reconsideration IS GRANTED and the license IS REINSTATED.

Sincerely,

Hossein Hashemzadeh
