In re: Low Power Television Application of:  
MAS TV Inc.  
Channel 22, Vero Beach, FL.  
File number BMPDTL-20100809CNF  
Facility Id No.: 183761

Dear Applicant:

We are currently processing your above-referenced application. Our preliminary engineering review reveals that the underlying construction permit BNPDTL-20091124ACA is for channel 47 and the above referenced proposed facility is for channel 22. You can not change the channel number by filing a minor modification to an existing construction permit. You must file a displacement application to request a channel change; therefore, the above referenced proposed minor modification construction permit IS HEREBY DISMISSED.

Sincerely
