Dear Sir/Madam:

On behalf of Emmis Radio License Corporation of New York, the licensee of FM radio station WRKS, this is to notify the FCC that the station is operating with increased digital power pursuant to the specifications set forth in the attached Exhibit. The Exhibit also provides other required information and certification regarding the station's digital operations, which commenced pursuant to Special Temporary Authority on or about March 9, 2010 (see BSTA-20100308ABR). This notification is being filed prior to the expiration of the STA to provide continuity of authorization for the increased power.

If there are any questions about this letter, please contact the undersigned counsel for Emmis.

Sincerely,

Marnie K. Sarver
