**Subject:** Program Test Authority -- WNNZ-FM -- BMLED-20100908ACV

This e-mail is in regard to license application BMLED-20100908ACV for WNNZ-FM. Program test authority is requested for full power operation following the installation of a new directional antenna. We have reviewed the license application and related exhibits and find it to be acceptable for filing.

Consequently, by this e-mail, program test authority IS GRANTED to permit WNNZ-FM to operate at an effective radiated power of 0.100 kW ERP with the facilities specified in this modification of license application.

This authority is being sent by e-mail in lieu of a letter in order to get this authority to you as soon as possible. Please print a copy of it and keep it with the station's records. The grant of this program test authority will also be noted in the FCC's CDBS database.

If there are any questions, please contact me at 202-418-2706.
