In re: Low Power Television Application of:  
Sevier County  
Channel 32, Richfield, ETC., UT.  
File number BPD TT-20100809CIC  
Facility Id No.: 167327

Dear Applicant:

On August 17, 2010, the licensee as addressed above was sent a 30 day deficiency letter outlining the following interference issue:

Our preliminary engineering review reveals that your proposed facility does not comply with the Commission's interference rules. Specifically, the proposal is predicted to cause interference to the following facilities:

1. K32JA-D, Manti and Ephraim, UT. – BNPDTL-20090825BCY

You were given the opportunity to file a minor amendment to resolve the specified interference problem within (30) days from the date of this letter. Amendments must be filed electronically. If not so amended, your application will be considered incomplete and subsequently dismissed.

As of September 27, 2010, our records show that no amendment has been filed to resolve the above referenced interference issue; therefore, the above referenced application is considered incomplete and IS HEREBY DISMISSED.

Sincerely
