Dear Applicant:

We are currently processing your above-referenced application. Our preliminary engineering review reveals that you filed a second displacement application BDISDVL-20090824AKC for digital channel 5. Review of the second displacement applications reveals the licensee's request for dismissal of the above referenced displacement application per exhibit 11 paragraph 3 under section titled **Digital Displacement Relief as imported below:**

In order to expedite construction of KRVD-LP's digital facility, the Applicant hereby in this instant application proposes to move KRVD-LP from channel 33 to digital channel 5 instead of digital channel 35 and 4 and requests the Commission to dismiss the pending digital displacement application on channel 35 (BDFCDTL-20060330AKG) and channel 4 (BDISDVL-20090611ACZ).
