In re: K237BF, McAlester, OK
Facility ID No. 6768

K232BI, Tahlequah, OK
Facility ID No. 6777

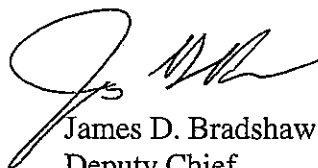

Dear Licensee:

The license for the above-referenced stations expired on October 1, 1997. An application for renewal of these station's license should have been filed by June 1, 1997. To date, we have no record of receiving a license renewal application for these stations, and the stations' license has expired by its own terms.

Accordingly, all authority to operate stations K237BF, McAlester, OK and K232BI, Tahlequah, OK IS TERMINATED and the call letters ARE DELETED. Any operation of these facilities is now unauthorized and must cease immediately.

Finally, it is imperative to the safety of air navigation that any prescribed painting and illumination of the stations' tower be maintained until the tower is dismantled. Accordingly, the owner of the tower where the referenced stations' transmitting antenna is located must maintain the tower in the manner prescribed by the Commission's rules and the terms of the expired licenses. See 47 U.S.C. Section 303(q) and 47 C. F. R. Section 17.6.

Sincerely,

James D. Bradshaw
