In re: WRDV (FM); Warminster, PA
Bux-Mont Educational Radio Association
Facility ID No. 7931
Application BPED-20100921ACL

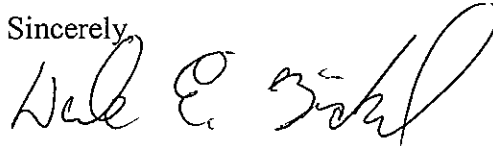

Dear Bux-Mont:

On October 26, 2010 the staff granted the above-captioned application. However, we were not aware of the filing of a petition for reconsideration for earlier filed application BPED-20100421ABU for WKVP, Cherry Hill, NJ, which has not yet been resolved.¹

Because your proposal would have prohibited contour overlap with WKVP's proposal, if it is reinstated, it is subject to the outcome of that petition for reconsideration. Consequently, the grant of WRDV's application BPED-20100921ACL was premature, and that grant IS RESCINDED. WRDV's application BPED-20100921ACL is reinstated in pending status, effective immediately.

Please destroy any copies of construction permit BPED-20100921ACL as they are no longer valid.

Sincerely,

Dale E. Bickel
Senior Engineer
