In re: Low Power Television Application of:
J.B. Salazar
Channel 47, San Antonio, TX.
File no.: BDISDTL-20100803ADM
Facility Id No.: 67304

Dear Applicant:

We are currently processing your above-referenced application. Our preliminary engineering review reveals that your proposed facility application does not contain the antenna manufacturer and model description. The antenna manufacturer and model information is necessary in order for us to process the application.

You are hereby given the opportunity to file a minor amendment to resolve the specified antenna manufacturer and model issue within (30) days from the date of this letter. Amendments must be filed electronically. If not so amended, your application will be considered incomplete and subsequently dismissed.

Sincerely

Hossein Hashemzadeh
