Notification of Digital Operation

Dear Ms. Dortch:

California State University, Sacramento hereby notifies the Commission of the commencement of digital broadcasting using iBiquity Digital Corporation's HD Radio technology. Consistent with the Commission's recent Order on interim digital operations, California State University hereby supplies the following information in support of this notification.

1. Date of commencement of digital broadcasts: December 8, 2010
2. California State University hereby certifies its facilities conform to the iBiquity Digital Corporation hybrid FM specifications.
3. In event of interference, questions should be directed to California State University's technical representative:

Jeff Browne, Director of Engineering
916-278-8933

4. Transmitter Output Power:

Analog: 3850 KW
Digital: 154 Watts

5. California State University hereby certifies that its analog effective radiating power will remain at its authorized level of 7.0 KW after commencement of digital operations.

6. California State University Sacramento hereby certifies that its interim digital operations will not cause human exposure to levels of radio frequency radiation in excess of Section 1.1310 of the Commission's rules and is therefore categorically excluded from environmental processing pursuant to Section 1.1306(b).

Any questions concerning this notification should be directed to the undersigned.

Jeff Browne
Director of Engineering
