Subject: Program Test Authority -- KRTM -- BLED-20090520ADT

This e-mail is in regard to license application BLH-20090520ADT for KRTM. Program test authority is requested for full power operation in accordance with construction permit BMPED-20081216ANO. We have reviewed the license application and related exhibits and find it to be acceptable for filing.

Consequently, by this e-mail, program test authority IS GRANTED to permit KRTM (FM) to operate at an effective radiated power of 0.270 kW ERP (directional) with the facilities authorized in construction permit BMPED-20081216ANO.

This authority is being sent by e-mail in lieu of a letter in order to get this authority to you as soon as possible. Please print a copy of it and keep it with the station's records. The grant of this program test authority will also be noted in the FCC's CDBS database.

Further processing on license application BLED-20090520ADT will be withheld until we receive Mexico's concurrence for the facilities specified in construction permit BMPED-20081216ANO.

If there are any questions, please contact me at 202-418-2706.
