BPED-20110314ABB

Dear Applicant:

This letter is in reference to: (1) the above-captioned minor change application BMPED-20090825BES dismissed on January 26, 2011; (2) the February 28, 2011 Petition for Reconsideration seeking reinstatement of that application; and (3) the above-captioned minor change application BPED-20110314ABB proposing facilities that cover a similar area to the earlier dismissed application.

A review of application BPED-20110314ABB reveals that it is in violation of the repetitious applications provisions of 47 C.F.R. Section 73.3519(b). Pursuant to this section, when an appeal of an FCC action denying a particular application has been filed, we will not consider another application for the same area, in whole or in part, filed by the same applicant until final disposition of such appeal. As of this date, the February 28, 2011 Petition for Reconsideration remains pending. Therefore, WJCF-FM cannot file a minor change application until this petition for reconsideration has been resolved.

In light of the above, Application BPED-20110314ABB is unacceptable for filing pursuant to 47 C.F.R. § 73.3566(a) and is HEREBY DISMISSED. This action is taken pursuant to 47 C.F.R. § 0.283.

Sincerely,

Rodolfo F. Bonacci
