Re: **Notification of Resumption of Operations**
LKCM RG Licenses, LLC
Station KHIJ(FM), Bunkerville, Nevada
Facility Identifier Number 164142

Dear Ms. Dortch:

This letter is filed on behalf of LKCM RG Licenses, LLC ("LKCM"), the licensee of Station KHIJ, to notify the Commission that this Station resumed broadcast operations at approximately 3:00 p.m. on Wednesday, December 15, 2010.

The KHIJ license was recently assigned to LKCM. At the time this Station was acquired it was off-the-air. LKCM has worked diligently to return KHIJ to the air. On December 15, 2010, its technical consultant attempted to electronically file a Resumption of Operations, however, the Consolidated Database System would not accept it. Upon further investigation, undersigned realized that Station KHIJ does not appear on the FM Silent Stations list. This realization prompted the undersigned to contact the FCC immediately to determine how to resolve this matter efficiently. An Audio Division staff member asked that LKCM file a letter presenting these facts. Please note that LKCM made certain that Station KHIJ resumed broadcast operations before its one-year deadline of December 21, 2010.

If there are any questions about this Notification, please contact the undersigned.
