Re: Notification of Return to Service
K231AX, Marysville, Kansas (FIN-143150)

Dear Ms. Dortch:

On behalf of Dierking Communications, Inc. ("Dierking"), the new licensee of FM translator station K231AX, Marysville, Kansas, this letter is to notify the Commission that K231AX has returned to normal operations consistent with its licensed parameters. Under the previous licensee, K2331AX had suspended operations on May 6, 2010, for financial reasons. Dierking consummated its acquisition of the station on April 13, 2011. The station returned to operations as of May 2, 2011.

Should there be any questions regarding this matter, please contact the undersigned.

Respectfully submitted,

Brendan Holland
