Re: WXOB-LP, Richmond, VA
Facility ID No. 587

Dear Mr. Kelly,

On February 7, 2011, you filed an informal application proposing experimental digital data service operations on the station as provided for in the LPTV Pilot Project Digital Data Services Act ("DDSA")¹ on behalf of KM Broadcasting, Inc. ("KM"), licensee of WXOB-LP, Richmond, Virginia. By this letter, we authorize the proposed operation subject to the conditions and procedures set forth in the FCC Orders implementing the DDSA.² This authorization expires upon expiration of the underlying WXOB-LP license.³

Sincerely,
