Dear Licensee:

You are directed to provide the following information in regard to the above referenced stations licensed to Hispanic Christian Community Network, Inc. (HCCN). Your response should be filed within 15 days from the date of this letter. Failure to provide the requested information will result in cancellation of the licenses of the stations.

1. Please provide the date(s) on which these broadcast facilities were constructed, and the names and contact information of the persons responsible for such construction.
2. Please provide the specific date and time that the stations started broadcasting programming intended to be viewed by the public.
3. Please provide a description of the nature or type, and duration of any programming broadcast by the stations.
4. Please provide the names and title and specific duties of any station personnel involved in the supervision and operation of the stations.
5. Please provide the Commission with any correspondence, documents, station records, or any other written material verifying stations being on the air.
6. Please provide any documentation in regard to the lease or other agreements relating to the use of the authorized tower sites for the stations.

We direct HCCN to support its responses with an affidavit or declaration under penalty of perjury, signed and dated by an authorized officer with personal knowledge of the representations provided in the responses, verifying the trust and accuracy of the information therein.

We are requesting this information because we have received information that the above stations have never been built.
