Dear Mr. Belisle:

This is in reference to the above-captioned minor change application to modify station WACV(AM) by reducing nighttime power from 1.0 kW to 0.004 kW using the daytime pattern, and correcting the coordinates.

A preliminary study of the application reveals that the augmentation value for the nighttime operation is not included.

Further action on the subject application will be withheld for thirty(30) days from the date of this letter in order to provide BBC an opportunity to file a curative electronic amendment. Failure to respond or file an amendment within this time period will result in the dismissal of the application pursuant to Section 73.3568 of the rules.

Sincerely,

Son Nguyen
