Hossein:

On behalf of Island Broadcasting Co. ("Island"), this is to request dismissal of File No. BDFCDVL-20110520ACR for Station WNYZ-LP and to apologize for inconvenience caused to you and Melvin Collins. The application was filed on the mistaken belief that Construction Permit BDFCDVL-20100421AAU ("CP") had been cancelled. Since learning this morning that the CP was not cancelled, there clearly is no reason for BDFCDVL-20110520ACR to be pending. Again, our apologies to you and Melvin for this error.
